Santa Claus Coming Dec. 20

Santa Claus will be at Sleepy Hollow Trailer Court on Sunday, Dec., 20 from 2 to 5 p.m. and again on Sunday, Dec. 24 from 2 to 5 p.m. so that all the little boys and girls can tell old Santa what they want for Christmas.

Jeanne's Will Offer Evening Dining & Decor

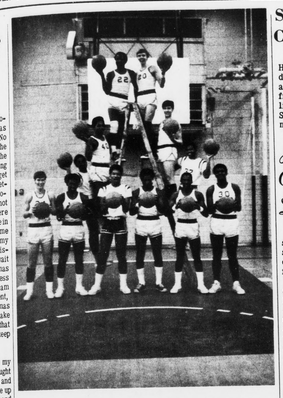
Jeanne's Coffee Shop, offering short orders, lunches and snacks will begin on Friday evening to offer something different in Appomattox.

In the late afternoon, the inside decor of the restaurant on Main Street will change . . . Paneled screens will go up to provide a luxurious look. A salad bar will be set up (with unlimited choice of salads and relishes) and Jeanne's will be ready for evening diners. There's hi - fi music, too, selected for dining relaxation.

Everyone is invited to Jeanne's to see the "quick change" to luxury dining -- offering the public an opportunity to "eat out" in surroundings you'd expect to find only in the larger localities.

SUPERVISORS MEET

Appomattox County supervisors will meet Friday at 9 a.m. at the clerk's office.



We're On The Way UP!

That hi-rise pose by Appomattox County High School Raiders is not by accident -- (After all, somebody did have to round up the tall ladder!) -- But, with both varsity (against Buckingham) and Jayvees (against Staunton River and again at Buckingham Thurs.) winning their openers of the season last week and the Varsity losing out to Staunton River by only two points Friday 53-51, the Raiders are looking for more victories as they practice to meet Nelson County in a home game Friday night at 8. Girls' Varsity team will also play Nelson County here Friday night -- 6:30 p.m. The Raiderettes won their game Friday 35-32 against Staunton River. Eighth graders play Nelson County away today (Thursday) at 4:30. Varsity players (above) include front row: Steve Marshall, Welton Gafford, Leon Robinson, Ronnie McCoy, Milton Chambers and Henry Davis. (left side of ladder, going up): Leroy Robinson, Ricky Garrett, David Johnson (right side): Frank Forest, Ricky Martin and Bruce Norconk.

County's Taxable Property Values Reach $20,312,111

Make plans now to attend the Christmas Concert on Sunday, December 13th, have an enjoyable afternoon and at the same time help out in this most worthwhile project.

Refreshments will be available at intermission.

Math Teacher Is Appointed

The Appomattox County School Board, meeting Friday afternoon, announced the appointment of Miss Kathryn Hannah, of Natural Bridge, as mathematic teacher for Appomattox Intermediate School. Miss Hannah is a graduate of Radford College.

Board members also made official the appointment of Mrs. Samuel B. Waddell as principal of Pamplin Elementary School replacing Walter C. Payne, who resigned the position.

School superintendent Earl J. Smith, Jr. announced that test borings by E. O. Gooch & Associates, consultants and geologists, at the 31 acre site of the proposed new county high school on Evergreen Avenue and Route 727 reveals no rock or other adverse conditions. ACHS WINS BOTH GAMES

On Tuesday night, both the varsity Raiderettes , coached by Mrs. Louise Martin, and the varsity Raiders, coached by Stanley Thomas, won out over Altavista in basketball games played here. The girls won by a score of 36 - 17 and the boys won out by a score of 56 - 47.

We Were There, Too!

On Wednesday night, December 2nd, when the bands started playing and the Lynchburg Christmas Parade got underway, "We were there, too!", says Mr. Frank Coffey, director of the Appomattox County High School Band.

On Thursday night, December 3rd, when the Farmville Christmas Parade began, "We were there, too!", says Mr. Coffey, the band members and the majorettes.

This is the first time that our High School Band has been at two Christmas Parades and we understand that they really made a good showing . . . both in the way they performed and in their new blue and grey uniforms. Most of the bands were larger in number than our band, but none could have been much larger in spirit and in sound. Appomattox should be proud of the A.C.H.S. Band and of the fine job Mr. Coffey is doing with his group of students.

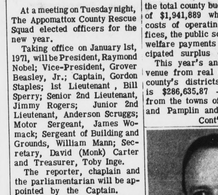
If you have not had the opportunity to see and hear the band, be sure to get your tickets for their Christmas Concert to be held on Sunday afternoon, December 13th, at the Appomattox County Intermediate School at 3:30 p.m.

Oakville Ruritans Sell Christmas Trees

As in past years, the Oakville Ruritan Club will sell Christmas trees as a money raising project for its service programs. Make plans now to purchase your tree from the club. The sale will start Saturday, Dec. 12 and will take place at Appomattox Drug Store. Sale times will be 2 - 8 p.m. on week days and 8 a.m. -- 8 p.m. on Saturdays. Sizes of trees available include white pine, Canadian Spruce, Scotch Pine, and native red cedar. Come by the sale location and pick out the tree to your liking. We look forward to seeing you.

Rescue Squad Chooses Vehicle

Like a "family" trying to decide on a new car, the Appomattox Rescue Squad held a long conference last week to decide how best to spend the money given to them for a new emergency vehicle. Delivery date has not been set, yet, but the order is in for a Swab vehicle similar to the one pictured. A separate door will permit the attendant's entrance at the side and the new vehicle will be able to carry four patients at a time, plus driver and attendants. The ambulance will be on a Ford chassis and will be completely equipped. The choice of a Swab was the winner over a field of four choices, according to Bill Sperry, Squad member who together with Ray Noble were chairmen for the successful drive to raise $14,000 for the new equipment. The ambulance committee includes (from left) G. P. Beasley, Jr., Robert Hook, Swab Co. representative, Jim Rogers, Pete Doss, L. Page Petty, of Lawson Ford, Appomattox, and Richard Bartelt.



H. R. Coffey

Coffey Named Telephone Manager

First Colony Telephone Company has named H. R. Coffey as local manager for the Amherst Area, effective Dec. 1, 1970. Coffey will be in charge of plant and commercial operations in a seven exchange area which serves about 7,600 telephones from Raphine through Amherst and extending to Appomattox and Pamplin.

Mr. Coffey was born in Amherst County where he attended Amherst County public schools. He served with the U. S. Army from 1941-46 and began his telephone career with the Amherst Telephone Company in 1948. He is married to the former Mary Clarke and they are the parents of Mrs. George Neas of Norfolk.

The Coffeys reside on Sunset Drive in Amherst and attend Emmanual Methodist Church.
